## Indianapolis Coin Club wishes special "Thank You's"

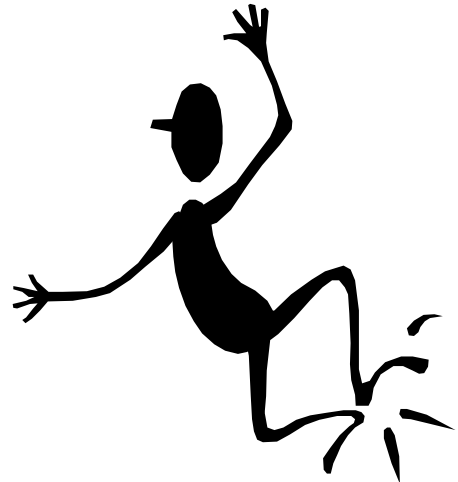

The Indianapolis Coin Club was represented during National Coin Week at the Children's Museum by two members: Dr. Robert Gerth and Jim Luckey. These two members were present all week long to promote and help the kids in the area of coins. Doc and Jim handed out a total of four rolls of the new 2005 Bison Nickels along with 25 "Blank" Cents that were provided from the U.S. Mint.

There were several questions asked about coins and these two members did an excellent job of educating kids about the hobby of coin collecting and answering their questions.

Thank you Jim and Doc for all of your hard work and effort that you put forth to provide this information to the children - it is much appreciated!

-----

Also, The Indianapolis Coin Club would like to give a big "Thank You" to Jim Goaziou for all of his effort with the Gold Exhibit night at the April meeting. There were a total of seven exhibits that were all very informative and educational. We thank all the exhibitors for your time with your exhibits!
